

SONC Upcoming Volunteer Opportunities

Below is a list of dates, times, and brief descriptions of volunteer opportunities on the horizon. As always, we rely on you - our valued volunteers - to assist us with preparation for all aspects of state-level events. Please note these dates on your calendars and let me know if you can assist. Thanks in advance for all you do!!

Games Registration

Midsummer Tournament: June 23-26 (Tuesday - Friday)

Time: Anytime between 9am - 5pm

Description: As registration comes in from all the programs planning to attend an event we will need help getting it all in the computer. Each of these days we will need help and you can come in on any (or all!) of them and work as long as you can. There is no need to be here the entire day (unless you can!) - whatever you can offer in terms of hours is appreciated! You do not need to be a computer whiz to help here, though basic knowledge helps.

Data Entry Day

Midsummer Tournament: June 27 (Saturday)

Time: 9am - 4pm

Description: Once all the details arrive from the local programs we need help getting all athlete and coach information organized and into our database. Again, you don't need a degree in computer science to help, but being comfortable with computers is a plus! Breakfast is on us as is lunch for those folks that stay all day.

Volunteer Registration

Midsummer Tournament: July 7-15

Time: Anytime between 9am - 5pm

Description: These dates represents the week after the volunteer registration deadline. Much to our chagrin, most volunteer registration comes in during this time period and we need help getting it all in getting confirmations mailed out! Each of these days we will need help and you can come in on any (or all!) of them and work as long as you can. There is no need to be here the entire day (unless you can!) - whatever you can offer in terms of hours is appreciated! You do not need to be a computer whiz to help here, though basic knowledge helps.
